

Rise above the crowd...

Geoff Murphy

PADI's newest video, *Peak Performance Buoyancy*, shows you how. Whether you've been diving for years or are recently certified, this entertaining and informative video will help you master buoyancy control. You'll learn to streamline your diving, reduce air consumption and increase your bottom time. In short, you'll learn to make your diving easier and more fun.

Reach a new level as a diver with *Peak Performance Buoyancy* — now on sale at your local PADI Dive Center.

Visit your local PADI Dive Center for a sneak preview of *Peak Performance Buoyancy*, your ticket to mastering buoyancy control.

Serious *fun!*

The PADI
Rescue Diver
course

Learning about accident prevention and problem management is serious, but the PADI Rescue Diver course can also be a lot of fun. Many divers say it's one of the most challenging and rewarding courses they've taken. You'll increase your confidence and diving skills as you learn to anticipate and prevent dive accidents in a relaxed, enjoyable environment.

NOW ON VIDEO!

PADI's new *Rescue Diver Video* shows you the skills and techniques you'll master in the course. It's the perfect complement to the PADI *Rescue Diver Manual*.

Call your PADI Dive Center today to get started!
